Subject: Creation of a Board of Inspection for inspecting manufacture of Sera, Vaccines and other special products.

--

Sir,

I am directed to refer to the minutes of the Drugs Standard Control Conferences held on the 2nd/3rd December, 1946 and 24th March 1947, copies of which have already been supplied to the Provincial Government and to say that it was agreed that the manufacture of sera, vaccines and certain other special products should be inspected by a Board of Inspection consisting of the Directors of the Haffkine Institute, Bombay and King Institute, Guindy and an officer of the Provincial Government, concerned. It is necessary to have the inspections carried out without delay and for this purpose a programme has to be drawn up. I am therefore to request that a list of the premises to be inspected by the Board in the Province of Madras may kindly be forwarded to the Government of India at very early date. The name and designation of the officer of the Provincial Government whom it is proposed to associate with the Board may also kindly be intimated.

I have the honour to be,
Sir,
Your most obedient servant,
Sd. Harban Singh,
Assistant Secretary.

Letter Ref. 43465 G.1/47-2, P.H., dated 7-7-47.

To

The Secretary to the Government of India,
Department of Health, New Delhi. (with enclosure).

Sir,

Creation of a Board of Inspection for inspecting manufacture of sera, vaccines and other special products.

With reference to Mr. Harbans Singh's letter No. 7-8/47-D, dated 17-5-1947 on the subject, I am directed to state that this Government consider that since the Director, King Institute, Guindy,(Dr. C.G.Pandit, OBE, MBBS., Ph.D., one of the members of the Board of Inspection, is also an officer of this Government, it is not necessary to appoint another officer of this Government to serve on the Board of Inspection for the purposes of inspecting manufacture of sera, vaccines and special products in this Province.

2. I am to enclose a list of premises to be inspected by the Board in this Province and to say that a further list will be sent on receipt of applications for licences to manufacture drugs included in Schedule C and C1 of the Drugs Rules.

Your obedient servant,

Subject: Drugs Rules, 1945 - Enforcement of - Creation of a Board of Inspection for inspecting manufacture of sera, vaccine, and other special products.

Sir,

I am directed to refer to your letter No.4121/33-H, dated the 29th September, 1947, on the above subject,forwarding a list of firms manufacturing Schedules C & C(1) products. It is noticed from the list of firms to be inspected in the Province of Bombay that only names of firms located in Poona have been given and the names of several prominent manufacturers in Bombay, e.g. Teddington Chemical Works, CIPLA, OPIL, etc. have been omitted from the list. I am therefore to request that a complete list of all such firms in the Province of Bombay may be furnished to this Ministry urgently

Subject: Drugs Rules, 1945 - Enforcement of - Creation of a Board of Inspection for inspecting sera, vaccine and other special products.

Sir,

With reference to the correspondence resting with your reply to this Ministry's letter No.F.7-8/47-D, dated the 8th October, 1948, I am directed to point out that the list forwarded by you includes the names of firms manufacturing the items covered by both schedules C & C (1). The Board of Inspection is to inspect only the firms manufacturing exclusively sera, vaccine, penicillin, sterilised surgical ligature and suture and bacteriophages (items 1-6, 11, 13 and 14 of schedule C of the Drugs Rules, 1945). It is therefore requested that information as in the tabular statement attached herewith may be furnished to this Ministry at an early date.

2. I am also to request that as copies of application forms for manufacturing licences from firms which require to be inspected by the Board are to be distributed to the members in advance, the following may be sent direct to the Directors, Haffkine Institute, Bombay and King Institute, Guindy:--

1) Copies of applications for the grant of the licences in Form 27, including the names,

qualifications and technical experience of the staff responsible for the manufacture and testing of the substances and copies of the plans of the premises.

2) Any subsequent changes in the expert staff or material alternation in the premises.

An early reply will be much appreciated.

Yours faithfully,

Sd. F.N.Saksena,
Under Secretary.
